Lewis Black, Michael Cerveris, Adriane Lenox, Rob Morrow, Kelli O'Hara, Ron Rifkin, Daphne Rubin-Vega, Paul Rudd, Sherie Rene Scott, Grant Shaud, and Mary Testa are some of the artists who will perform at *Express Yourself*, a benefit for the Our Time Theatre Company, to be held at 7pm on Monday, April 23 at NYU's Skirball Center for the Performing Arts.

The benefit will be hosted by Jesse L. Martin and Mariska Hargitay, who star on NBC's *Law & Order* and *Law & Order: SVU* respectively. The company, which is dedicated to providing an artistic home for young people who stutter, will continue its tradition of honoring celebrities who have provided inspiration by giving its annual Our Time Award to television and film star Peggy Lipton.

Other stars who will perform at the benefit, along with members of the company, are Rory Albanese, Nadia Dajani, Tiffany McElroy, Ramon Rodriguez, Callie Thorne, the cast of *Stomp*, and *Daily Show* co-stars Dan Bakkedahl, John Oliver, and Rob Riggle.

Tickets to the benefit are \$100 for the performance only, and \$300 and \$1000 for the performance and post-show benefit at Chinatown Brasserie. For more information, call 212-414-9696 or visit www.ourtimetheatre.org.
